

### **To Group Class Participants:**

Thank you for participation in our Group Classes activities!  
Please read carefully below:

Le Pari Dance Center has a right to cancel group classes with less than 7 people after 1 week in session unless other financial arrangements are made (see below)

Group classes cannot be “rollovered” if missed.

There are no exceptions.

All payments for group classes are not refundable and cannot be credited towards other group class. The only exception is if the class is cancelled by Le Pari due to low attendance of participants.

All dances taught in group classes are of American style unless stated otherwise.

Each group class is offered in two options: 8 weeks and 1 week (drop-in \$18) to make sure that we can accommodate your needs as much as possible.
